## **\$3,800-ADDED BO RANCH 4-YEAR-OLD OPEN FUTURITY: IT'S A TWO PEAT FOR BASTIEN BOURGEOIS**

**A**t the end of a week filled with great competition in a beautiful location and family atmosphere, the 2021 edition of the BO Ranch Futurity closed on Saturday night offering the 4-year-old Open Futurity in front of a full house and fans from 16 countries around the world following the live stream. Piloting

Doctors Orders, an American Quarter Horse gelding by Shiners Voodoo Dr out of Smart Dickory Doll for owner Jean Baptiste Duputel, Bastien Bourgeois rode to the Level (L)4 Open Championship.

"We don't know each other a lot since we bought him here following the BO Ranch Derby and Maturity in August," confided Bourgeois, winner of the 2020 4-year-old

Futurity riding Colonel Barbee Dream. "The new owner's daughter (Lilou Duputel) showed him here in the Non Pro and even though she'd only been riding him for three weeks, we were really happy with the way he went." The French professional was quick to credit Stefano Ferri, head trainer for BO Ranch, for the work done. "Stefano did a really good job and the horse is very easy to ride," he shared. "We still need to understand each other and need to find which buttons to use; this was our first show together and he was really honest in the pen. It was a good ride and I wish we could have scored higher. I will be showing him in the future even though the goal when we purchased him was to find a good horse for Lilou and we did!" A half-a-point behind, taking reserve honors in the L4 division as well as the L2 Championship, was Jeffrey Touroute-Thomas aboard GS Early Steponspark (Steppin On Sparks x GS Spicey Smart Lena), a flashy grey mare owned by Alexis Delivert. "My mare was really good for me and, except for

the first stop which we missed, I could not ask for more," said Touroutte-Thomas. "I've had her for the past two years, and cannot thank the owners enough for trusting me with her. The plans now are to go to the French Finals held concurrently with the NRHA France Futurity, and after that it will be vacation time for her!"

Reserve honors in the L2 Open went to Iain Bethke and Midsummer Spook (NRHA Six Million Dollar Sire Smart Spook x Shining Mona). The pretty chestnut gelding bred by NRHA Two Million Dollar Owner and Hall of Fame Inductee Rosanne Sternberg, is owned by CS Ranch Management SA. Along with companion multiple past NRHA Non Pro World Champion Gina Schumacher, Bethke made his way to BO Ranch following the Belgium Futurity held the week before.

## MARKING BO RANCH HISTORY

For BO Ranch owner Greg Morat, presenting the Futurity riders to the public, and signing the commemorative event poster, is a must!

"I feel it's important that the public gets to know the riders - reason why we had the Non Pro and Open riders presentation during the opening ceremony - and that their names remain at BO Ranch," he said. "For every show we've had so far, their mark was left not only in the arena, but also on the event posters. In the coming years, we will all have the pleasure of looking back at not only the Champions, but all those that participated. I would like to thank my wife Claire, and all our staff, for putting together the Opening Ceremony which was highly appreciated by all those present."

Rising star Jeffry Touroute-Thomas, fresh off his BO Ranch L2 Open Maturity win aboard CDS Bonitop Jac owned by Sophie Otthoffer, came back strong a month later capturing not only the 4-year-old L2 Open Futurity Championship and reserve in the L4, but also riding to the top score and the titles of the 3-year-old BO Ranch L4 and L2 Futurity divisions with PB Dont Miss My Rock between the reins. "I started this mare myself so she's been with me from the very beginning," said Touroute-Thomas about the fancy palomino by Dont Miss My Guns out of Rock Around The Top owned by Patrick Broschard. evening I was a little scared because there were a lot of people in the stands and I didn't know how she was going to react. I thought to myself 'for sure we'll find out whether she's a show horse' and I can say she is!"

When asked whether he preferred to ride mares or stallions, the French Professional said he certainly does have a better feeling with mares. "It's a different style of riding when you ride a stallion or a mare, but at the end of the day, a good horse is a good horse, no matter what gender," he added.

Tying for reserve honors in the L4 with a half-point difference was Canadian Professional based in Switzerland Morey Fisk riding Shineys Spook (NRHA Six Million Dollar Sire Smart Spook x Gotta Shiney Whiz) for owner Annika Bootsman-Kleberg and Jeremy Roper of France aboard Aude Gruber's JAG Spatigun (Colonels Shining Gun x Nd Montenisa Spat). The latter also claimed the Reserve Championship in the L2.

"I'VE HAD THIS MARE SINCE SHE WAS A BABY... THIS EVENING I WAS A LITTLE SCARED BECAUSE THERE WERE A LOT OF PEOPLE IN THE STANDS AND I DIDN'T KNOW HOW SHE WAS GOING TO REACT. I THOUGHT TO MYSELF 'FOR SURE WE'LL FIND OUT WHETHER SHE'S A SHOW HORSE' AND I CAN SAY SHE IS!"

## MINIS SCORE BIG!

"We breed miniature horses, mainly AMHA & AMHR, which we carefully select for their finesse and the quality of their gaits," said active non pro reiner Sophie Falconnier of Elevage Newland and sponsor of the BO Ranch Futurity. "Being here tonight and seeing how enthralled the public was with our minis filled me with joy and I would like to thank Claire and Greg for having us here."

Located in Île-de-France, Newland welcomes visitors to discover the great 'mini world.'

**Y**oung reiner Jayden Feichter laid down an outstanding run aboard his young mount, Fame At The Bar (Star At The Bar x Madeline Melody), owned by Edith Zenouda. The duo posted a 208 to win both the L4 and L2 Non Pro divisions of the 3-year-old Futurity, and a thrilled Jayden was on cloud nine! "This is my first Futurity and what makes the win even sweeter is the fact that she's home bred," he said. The French rider trains under the guidance of his father, Chris Feichter. "I cannot thank my parents enough for giving me the opportunity to ride and show these great

horses. A special thank you to my dad for teaching me so much," he added. Just as proud was dad Feichter: "I am so proud of Jayden. It's his first time showing in a Futurity and with a home made horse!"

## Marcel Rozier, a legend in the world of equitation, enjoys the BO Ranch Open Futurity!

Olympic show jumper Marcel Rozier took the gold at the Olympics in Mexico 1968 and was crowned Team Olympic Champion in Montreal in 1976. With three French Championships to his name, he converted to the position of coach of the French team in 1977. A legend in the show jumping world, over the years he built his empire around high level equestrian sport as well as the trade of sport horses, notably with the creation of Espace Rozier in Bois-le-Roi, Seine-et-Marne. After more than sixty years spent around horses, his legacy continues with his sons Philippe and Thierry. "It was a pleasure and an honor to have Marcel Rozier with us again, and it was wonderful to have 'the French equestrian legend' take part in the awards presentation," said Greg Morat. In response, Rozier confirmed his enthusiasm. "These horses are amazingly docile and the sport of reining is so technical and fun to watch. I thoroughly enjoyed being here tonight watching these athletes perform."
